ABILENE, KANS.

July 1927.
Dear Fannie -

We expect to
leave for Lafayette tomorrow. I received your card yesterday. Will likely reach home about July 28th. I received a letter from A.E. Kraybill which says he can not be present at the reunion. Thought we may have the letter read. Did you say something to Mrs. Lewis?

Took dinner with Grace today. The threshers were there. Do you remember we met the threshers on our trip in Canada? More later.
